The CollegeBound Support: Native Student Career Planning Package

*Empowering Native **Futures**,
One Journey at a Time*

Overview

The CollegeBound Support: Native Student Career Planning Package helps Native high school students figure out what kind of careers fit their strengths, interests, and cultural values. It's all about helping Native youth see the possibilities for their future.

This package is great for students in grades 10–12 and is perfect for schools or programs that want to support Native youth in a meaningful way. Each student gets a personalized career list and clear next steps to move forward. It's a supportive, culturally grounded way to help Native students dream big and take action.
